

WEB BEST PRICE GUARANTEE

Book on our website at the best price!

We are committed to ensuring the best price, so if you make a reservation through our website www.hotelparadisepark.com/ and find a cheaper price for the same dates and conditions, we will match it.

Requirements

The reservation must be for the same room type, identical stay period and rate, as well as any added extras. Likewise, the booking conditions such as payment or deposit terms, if any, must be the same. It is not necessary to make the reservation on the other website; you only need to show the price difference!

You must send us a claim with:

- Your reservation ID from Paradise Park Fun Lifestyle Hotel
- Link and screenshots of the external website showing the price discrepancy under the same conditions.

To accept this claim, you must meet all the terms and conditions of our Best Price Guarantee policy.
